B Jain Publishers Pvt Ltd. Paperback. Book Condition: new. BRAND NEW, Classical Homeopathic Pactice: A Scientific Approach, Anurag Deshmukh, Everything you ever wanted to know about homeopathic practice and repertorization. A never before book that bridges the gap between Theory and Practice. Learn the secrets of clinical interview. This book is not intended to be a textbook, but would be of great help to the students and the beginners in practice, in understanding what homeopathic practice is all about and getting oriented to it. This book discusses the implementational aspects of homeopathic practice. Through this book I have tried to demonstrate the application of homeopathic principles to practice. The chapter on homeopathic physician will make the reader, especially fresh homeopathic graduate, aware of the attitude and the type of clinical training necessary for scientific homeopathic practice and the qualities that need to be cultivated if he wishes to be a successful (Hahnemannian) homeopath. It will also introduce him to various means of acquiring clinical knowledge. How to conduct case taking? This is a frequently asked question. Therefore, chapter on case taking deals with practical aspect of case taking, and is full of practical tips and hints. Case processing is another important part of homeopathic practice and I have tried to simplify the complexities involved in it. Clinical implications of the concept of totality have been focused upon in the chapter on totality. Choice of the right remedy is one of the most perplexing dilemmas, especially for a neophyte and hence it has been addressed in as clear terms as possible in the related chapter. The matter of Potency Selection has been dealt with scant attention in most of the homeopathic literature till now. As a result many students and beginners are in total dark with regards to various factors that...
