Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Confusion exists about the risks involved in trading currencies. Much has been said about the interbank market being unregulated and therefore very risky due to a lack of oversight. This perception is not entirely true, though. A better approach to the discussion of risk would be to understand the differences between a decentralized market versus a centralized market and then determine...
