

Relativity and the Universe: A Popular Introduction Into Einsteins Theory (Classic Reprint)

Filesize: 6.16 MB

Reviews

*It is fantastic and great. It generally is not going to cost an excessive amount of. You will like the way the blogger create this book.
(Gerardo Bauch PhD)*

RELATIVITY AND THE UNIVERSE: A POPULAR INTRODUCTION INTO EINSTEINS THEORY (CLASSIC REPRINT)

[DOWNLOAD](#)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 162 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. The following computer-generated description may contain errors and does not represent the quality of the book. English edition of my little book, *Das Weltbild der Relativitätstheorie*, was in course of publication, it was found necessary to prepare a third German edition. However, since the text of the second edition, apart from the correction of a few minor errors, will remain practically unchanged there is no reason why the English translation should not be based upon it. I have to express my thanks to Dr. Karl Wichmann for kindly offering me an opportunity of inserting the corrections mentioned. It would cause me much pleasure if this English edition should contribute to the great object of spreading, as widely as possible, a knowledge of the fundamental ideas of Einsteins theory of relativity. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally-enhance the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
