

Indians in Victorian Children's Narratives: Animalizing the Native, 1830-1930 (Hardback)

By Shilpa Bhat Daithota

Lexington Books, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. The genesis of the history of British colonization in India is often traced to traders, merchants, and the formation of the British East India Company. While this is indisputable, what is ignored is the creation and perpetual fueling of the steady stream of British officers into the Indian economy that happened due to the continuing efforts of British people and society. How did this ensue? In the contemporary world when we talk of the transnational terror networks we are filled with awe when we find children being engineered to the vocation of violence. However, this was true even of the earlier times when writers (albeit politely!) hid the colonial ideology within their literature. The children perhaps were tantalized by the beauties abroad, by the tigers, the rhinos, the native Rajas! The use of animal imagery was conspicuous in such literature. This kind of narrative discourse was targeted not only at baby patriots but also at young adults, appealing them with adventurous stories of colonization in India. Through stories, museums, objects; the British children were continuously bombarded with knowledge of the colonies and its alluring bounties. These...
