IT S TIME TO MAKE A LIVING: FAMILY - FUN - FINANCES (PAPERBACK)

Dog Ear Publishing, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There is no better plan, than a subsequent plan, that protects your total plan. Your future can be bright if you help create the light. It s Time To Make A Living- depending upon how you express the title of the book, can clearly mean two distinct things. For example, Wow, it s time to make a living. That most likely would be interpreted as someone that is involved in an awesome business venture who has time to make the type of living that they please. Well, for all intents and purposes, this book is clearly to uplift the Wow in everyone when it comes to making a living. But, the book also covers the reality of how people actually treat themselves financially in the work arena and in life in general. We should all strive to be the best that we can be in whatever avenue we choose to invest our time. Money is definitely a necessity, but knowing the best way to obtain it is optional. This book favors the needs of the common man and woman and expresses practical ways in which they can gain, sustain and maintain a lucrative income for themselves and their families. Don t buy the hype, employers do not have to be in control of your life and financial status. Do you want to be POOR? Passing Over Opportunities Repeatedly-Donald Bradley- YTB Millionaire Or do you want...
