*This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which in fact modified me, altered the way in my opinion.*

Libros Liguori, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. Es verdad que no hay que saber de teología sacramental o litúrgica para salvarse o ser buen cristiano. Sin embargo, una sólida formación litúrgica y sacramental nos ayuda tanto espiritual como humanamente. Pues se ama más y mejor a quien se conoce que a quien se desconoce. Ese amor informado nos prepara para cumplir con la misión principal de la Iglesia: evangelizar, comunicar ese gran regalo de la fe recibida de Dios en Cristo Jesús. El entendimiento de los sacramentos puede aportarte mucho: desde un entendimiento más profundo de cómo Jesucristo se te acerca a través de los sacramentos, hasta el descubrimiento de nuevos enfoques capaces de iluminar nuestras mentes y de fortalecer nuestros corazones ante los desafíos cotidianos. Although there is no need to know sacramental or liturgical theology in order to be a good Christian, a solid understanding of the sacraments helps us both spiritually and humanly. For the sacraments are loved more and deeper by whom they are known than not known. This informed love prepares us to fulfill the main mission of the Church: to evangelize--to communicate that great gift of faith received from God in Jesus Christ. Understanding the sacraments can bring us a lot: from a deeper understanding of how Jesus Christ comes to us through the sacraments, to the discovery that the sacraments can illuminate our hearts and strengthen them in the face of everyday challenges.
