THE WRATH OF THE SANTARS COUSINS PARTS 1 AND 2

iUniverse, Inc. Paperback. Book Condition: New. Paperback. 104 pages. Dimensions: 9.2in. x 6.0in. x 0.4in. The Wrath of the Santars Science Fiction at its best. The Republic of Karina is invaded and conquered by the Santar Federation and the entire planet of Recuta is now under Santar control. Classic inter-planetary adventure, good versus evil, strong and believable characters, and a story to keep the reader on the edge between belief and reality. This is a must read new, and ingenious work by a marvelously gifted contemporary writer. Cousins Part 1 They are lovers. John's strange and bizarre dream gives Holly cause to be alarmed. She remembers their first meeting. Circumstances that result in their being together. She is dubious as to their relationship being pregnant, yet she loves him, accepting his love, and assurances, being confused. The child she carries will it have a name John worships her. She has doubts. Are these star struck lovers doomed to failure? The ending being something that tests the will of these two who desire each other more than life. Cousins Part 2 When Dorothy and Peter met they were intoxicated with each other. Dorothy is a golden haired, blue eyed, beautiful daughter of Ireland. Peter has ruddy, handsome features; the tall, muscular son of a shopping magnate. They struggle to be together. Their love crosses ethnic lines and religious beliefs. How they may overcome these, if at all, unfolds in this love story. Where the train of love may lead them ultimately is unknown. This item ships from multiple locations.
