By Joe Schlegel

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ava skillfully climbs buildings and easily traverses their rooftops, and she hasn't lost a single delivery in her time as a crystal meth courier. Together with her boyfriend Jett and their cook DeAngelo, the trio networks around Middleville's drug trade to establish stable careers. When a pill-addicted client attacks Jett during a manic episode, her accidental death sparks the backlash of Middleville's notoriously savage motorcycle gang, Odin's Outriders. The trio must scramble to stay ahead of the roving bikers and hunt for friends and associates who can help, a feat compromised when the drug market is the target of a brazen genocide. Based during the events of Dare to Defy, the journey of meth dealers Ava, Jett, and DeAngelo provide a startling glimpse into perilous Middleville.
