It is one of the most popular ebooks. It really is simplified but exciting in fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Lulu Publishing Services, United States, 2014. Paperback. Book Condition: New. 234 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.The idea for What is Salvation? came as a result of a real concern over the ignorance of so many people today who claim to be saved but who do not understand the truths and realities of salvation as set forth in the Bible. Pastor Parker began this as a series of messages preached at Thirteenth Street Baptist Church, where he currently pastors, and it developed into a comprehensive study and overview of this great and glorious subject as revealed in God s Holy Word. It is written in simple and precise language so that any serious Bible student can glean from its pages without getting bogged down in lofty theological platitudes. It will be helpful as a guide for those who desire to go further and deeper in their study of God s Word, and also as an aid to ministers, students, and study groups, all who seriously desire to study and find answers from God s Word.
