## Flashes of Life (Paperback)

By Micah Ling

Short Flight/Long Drive Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Poetry. Music. Featuring poems that engage songs by artists ranging from The White Stripes to Bruce Springsteen, David Bowie to Otis Redding; lists of albums; daily timestamps as poems; remixes and everything in between; FLASHES OF LIFE evokes not just the way we listen to music, but all the ways we interact with the music in our life. Designed to highlight its concept-album-like nature, FLASHES OF LIFE is split into four sections, echoing the four sides of a double album, complete with multiple sleeve arts, bonus/ hidden tracks, and handwritten opening and closing songs, echoing the physicality of placing a needle on vinyl. This collection looks head-on at the music of memories. It is a map made of songs. And moments that stop life. Sparking the senses that make us human, Ling's poems remind of us that we are a single, unique note in a song that has been playing long before we were born a song that will play on long after we're gone.
