Dignity Press. Paperback. Condition: New. 306 pages. Dimensions: 8.0in. x 5.0in. x 0.7in. Here then is a book that gently, persistently and, I think, solidly makes a case for incorporating Gandhis insights into mainstream economics. Gandhi and the Future of Economics is not meant to be a research study of Gandhian economics. It is rather that kind of felicitous publication that breathes new life into a known theme, and, in doing so, brings out its implications for praxis. Even better is the fact that it does all this in dialogue with a set of contemporary thinkers and actors from the Indian sub-continent . . . (from Ivo Coelho's preface) This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
