By Christie Stuart

AK Press, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Christie s polemic underscores a great truth about the struggle against fascism: There is no middle ground. You may either resist fascism with all your might, or fall into the same abyss yourself. --Rain Taxi A detailed, scholarly study of the Iberian Anarchist Federation (FAI), a group of twentieth-century militants dedicated to keeping Spain s largest labor union, the CNT, on a revolutionary, anarcho-syndicalist path. Stuart Christie s analysis covers the history of Spanish anarchism and the Spanish Civil War, and provides lessons relevant to today s largely neutered labor movement. A gripping and informative tale! Stuart Christie is the co-founder of Anarchist Black Cross and Cienfuegos Press, and the author of Granny Made Me an Anarchist. He was imprisoned in 1964 for attempting to assassinate Spanish dictator Francisco Franco.
