Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Black Beauty was written in 1877 and was subtitled The Autobiography of a Horse. It quickly became known as the best-loved animal story. In addition to this, the book achieved its aim to induce kindness, sympathy and an understanding treatment of horses. The story was used first by George Angell, founder of the Massachusetts Society for the Prevention of Cruelty to Animals, and then by the Royal Society for the Prevention of Cruelty to Animals. At a time when horses were relied upon for transport, the horse was the animal most likely to be abused. This book, by telling the story through the eyes of the animal, changed people s attitudes.This abridged version comes with the original illustration on the front and with all the original illustrations in black and white throughout the book. Anna Sewell was an English novelist who s only published work was Black Beauty, written during 1871 to 1877, after she had moved to Old Catton, a village outside the city of Norwich in Norfolk. During this time her health was declining. She was often so weak that she was confined to her bed and writing was a challenge. She dictated the text to her mother and from 1876 began to write on slips of paper which her mother then transcribed. Sewell sold the novel to local publisher Jarrolds on 24 November 1877, when she was 57 years of age. Although it is now considered a children s classic, she originally wrote it for those who worked with horses. She said a special aim [was] to induce kindness, sympathy, and an understanding treatment of horses.
