Food Agriculture Organization of the United Nations (Fao), Italy, 2000. Paperback. Condition: New. Language: English . Brand New Book. This is the third manual on market infrastructure; it highlights the need for improved planning and decision-making to ensure successful market investments. The guide identifies the key steps in deciding on whether and how to invest in market infrastructure and highlights the steps to be taken to determine the size, location and operations of markets. The guide will be of interest to economists and planners in ministries of agriculture and of urban development as well as city and local authorities. Development practitioners will also find the guide of interest.
