Reviews

It is fantastic and great. Sure, it is perform, nonetheless an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Excerpt from book: In the foregoing investigations I hoped to have elucidated the problem of the modification of tempo, and to have shewn how a discerning mind will recognise and solve the difficulties inherent in modern classical music. Beethoven has furnished the immortal type of what I may call emotional, sentimental music -- it unites all the separate and peculiar constituents of the earlier essentially naive types; sustained and interrupted tone, cantilena and figurations, are no longer kept formally asunder -- the manifold changes of a series of variations are not merely strung together, but are now brought into immediate contact, and made to merge one into the other. Assuredly, the novel and infinitely various combinations of a symphonic movement must be set in motion in an adequate and appropriate manner if the whole is not to appear as a monstrosity. I remember in my young days to have heard older musicians make very dubious remarks about the Eroica. Dionys Weber, at Prague, simply treated it as a Beethovens Symphony, No. III. nonentity. The man was right in his way; he chose to recognise nothing but the Mozartian Allegro ; and in the strict tempo peculiar to that Allegro, he taught his pupils at the Conservatorium to play the Eroica ! the result was such that one could not help agreeing with him. Yet everywhere else the work was thus played, and it is still so played to this day ! True, the symphony is now received with universal acclamations ; but, if we are...
