

## Understanding Corporate Worship: A Key to Experiencing God s Presence (Paperback)

By MR Goodson Mumba

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The 21st century Church has been infiltrated and marred with activities that have threatened genuine worship experience. The enemy has always aimed at destructing the church from focusing on God during corporate worship so that people do not experience the presence of God. He has done it in a very subtle way by making congregants become more conscious of his presence than the presence of God during corporate worship gatherings, hence the need to spend more time on prayers of chasing him out of their midst. Scripture clearly indicates where two or three are gathered in my name there am I in their midst and this book shows how to be God conscious during corporate gatherings so that congregants can experience His presence.
