

Kant s Principles of Politics and Perpetual Peace

By Immanuel Kant

Digireads.com, United States, 2010. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Immanuel Kant (1724-1804) was considered to be one of the most important and influential figures in Western philosophy for his work in the areas of metaphysics, anthropology, theoretical physics, logic, and moral philosophy. Remarkably, Kant never left the town of Konigsberg, Germany, where he had been born, received schooling, and served as lecturer at the University. Despite his provinciality, Kant developed original and comprehensive ideas in the field of politics, including his opposition to democracy, the establishment of lasting world peace, and the development of a political community of constitutional republics, all grounded on the principle of Right. This work contains Kant s Idea of a Universal Cosmopolitical History, Principles of Political Right, The Principle of Progress, and his most famous essay, Perpetual Peace, the formal exposition of Kant s political idea in which he proposed the creation of a International Federation as a means to secure the sweet dream of peace .

Reviews

This is the best book i have read until now. It can be filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Nadia Konopelski**

Comprehensive information! Its this type of very good read. It is writter in basic words instead of hard to understand. You are going to like how the article writer compose this pdf.
