Moving Planet Isn't Easy (Paperback)

By Catalina Del Rio Faes

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Adela Trifan (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Flup is a happy, young alien living with his family on Xtron when one day he gets some surprising news. His parents have new jobs on a planet millions of miles away, a scary place called Earth. How will Flup manage without his best friend? Will humans be as strange as he thinks? Join Flup as he discovers life on Earth isn't quite what he expected. For children, a big move involving changes to their environment, food, language and culture can be very challenging. Through Flup and his engaging story, parents can begin to talk to their children about moving country. An advice section written by expat parents adds another dimension to this book, making it a valuable tool for families relocating abroad.
