E-Booktime, LLC, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book was written with the belief, We all can make a difference to better the lives of others. My highest hope is that President Obama will make a difference by what he does in office. I decided to write this book in order to give him my thoughts and ideas gained from my past experiences in a life of 85 years. I learned a great deal about military strategy talking with German Generals for three years. I am pictured in this book having conversations with the Chancellor of Germany and the King of Hungary. I majored in history and am an ardent political analyst. Richard Nixon sat down with me at Logan Airport in Boston, Massachusetts, one day and opened my eyes to what politicians must do to win nominations. John Volpe took my advice on his run for Governor of Massachusetts and won in this strongly Democratic state. He was a Republican. In the Rock and Roll era of the 60 s I was a song writer, record producer, music publisher and artist manager. I discovered Freddy Cannon and his 2 million record seller Tallahassee Lassie. My book deals with public issues and war and peace for President Obama to read and think about in his decision making. In my previous book, President Bush, Sr. read my chapter on why Robert Kennedy s name should be placed on the Department of Justice Building. After reading what I had to say he not only placed his name there, but wrote me a letter telling me my book would be placed in his presidential library at Texas AM. Americans should thank God for blessing us with the victory of a great person...
