Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.This book has been specially written to help you revise for IGCSE Mathematics Higher by Edexcel. Although the book starts gently with some basic reminders its main aim is to work towards getting a grade B, A or A* in the exam. Hopefully, some of the material will already be familiar to you. If you work through most of the examples in this book as well as the practice questions you are very likely to pass with a very good grade. This book has many worked examples and practice questions to help you become familiar with the exam. It is a good revision guide.
