

Monstrous Regiment

Filesize: 3.99 MB

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.

HarperCollins, United States, 2004. Paperback. Book Condition: New. Reissue. 170 x 107 mm. Language: English . Brand New Book. War has come to Discworld . again.And, to no one s great surprise, the conflict centers around the small, arrogantly fundamentalist duchy of Borogravia, which has long prided itself on its unrelenting aggressiveness. A year ago, Polly Perks s brother marched off to battle, and Polly s willing to resort to drastic measures to find him. So she cuts off her hair, dons masculine garb, and -- aided by a well-placed pair of socks -- sets out to join this man s army. Since a nation in such dire need of cannon fodder can t afford to be too picky, Polly is eagerly welcomed into the fighting fold--along with a vampire, a troll, an Igor, a religious fanatic, and two uncommonly close friends. It would appear that Polly Ozzer Perks isn t the only grunt with a secret. But duty calls, the battlefield beckons. And now is the time for all good . er . men to come to the aid of their country.
