Reviews

Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Ulster Catharsis is a cycle of poems telling the story of the author s journey through manic depression, a descent into madness, and eventual redemption through a return home to his beloved Ulster. The book moves from an initial chapter Innocence , recounting the author s idyllic childhood in rural County Antrim, through Loss of Innocence and Breakdown , brought about by emigration and illness, to eventual Innocence Regained , where the author returns home to undergo a healing catharsis in Ulster. Having undergone catharsis, the author is able, for the first time in many years, to think clearly on many issues, which are expressed in his Thoughts from the Smoking Room and Political Diversions .
