## West Point: A Bicentennial History (Paperback)

By Theodore J. Crackel

University Press of Kansas, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. Grant. Pershing. Eisenhower. Schwartzkopf. The United States Military Academy has shaped America's senior military leaders from the sons-and now daughters-of farmers and shopkeepers, laborers and bankers. Now celebrating its two hundredth anniversary, West Point and its legacy continue to support and reflect the nation it serves. Authored by Theodore Crackel, one of the nation's premier authorities on the academy, West Point: A Bicentennial History celebrates one of America's most prominent establishments. A revision and refinement of the author's earlier Illustrated History of West Point, published more than ten years ago, it provides the most accurate and comprehensive history yet available on the academy. It features new research and new perspectives in every chapter, adds a decade of coverage, and has garnered the West Point Bicentennial Committee's official seal of approval. Crackel tells how the institution was created to embody the vision of Thomas Jefferson and expands our knowledge of the additional contributions of the Adams administration to its founding. He reveals how the academy developed to meet the needs of American expansion by integrating civil engineering into its early...

### Reviews

*Absolutely essential go through publication. This can be for all who statte there was not a worthy of looking at. Its been printed in an remarkably basic way and it is just right after i finished reading this book through which in fact altered me, modify the way i think.*

-- **Dr. Haskell Osinski**

*The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).*

-- **Mr. Rafael Hoeger**
