Being led to disconnect themselves from the tyrannical oppression they struggled under in England, our Founding Fathers saw fit to establish a new system of government which would become a model of freedom and liberty such as the world had never seen. It is with this purpose in mind, that this book is being made available to Americans who want to reinforce their understanding of the real foundation America was built upon and for those who have never been exposed to the truth of our founding principles. This knowledge, once grasped and understood, can never be taken from you. Never will you be able to go back to not knowing once you know the truth. This book contains the Declaration of Independence, The Constitution of the United States of America, Amendments to the Constitution in their original wording. Also included is commentary by Glen Spicer.
