Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Completely Launderable All-Wool Apparel: The Potential Market Total fiber consumption in this market amounted to million pounds in 1962 (table This represents the 1962 total fiber usage in the manufacturing of specified items. Each item was selected only when launderability of that item in wool was thought to have commercial application. For example, women s skirts were selected for consideration but not men s suits. Wool represented 242 million pounds, or about 11 percent of the total. However, this appraisal of the market for completely launderable wool textile products was limited to examining the 179 million pounds of all-wool, about 8 percent of this total selected apparel market.
