Brand New Book ***** Print on Demand *****. *Includes pictures *Includes historical accounts describing vampires *Discusses the legends of vampires across various cultures and the evolution of the folklore *Includes a bibliography for further reading *Includes a table of contents People have always been afraid of the dead. Since the dawn of humanity, people have both cared for those who have deceased yet also tried to keep them away. There are a myriad of legends and beliefs about the dead coming back, and one of the more persistent ones is of the vampire. Everyone has heard of vampires, but few people are truly familiar with the history and folklore that have made the mythical beings so popular. Indeed, there are so many legends from so many cultures that it is difficult to come up with a hard definition, and folklore is by its very nature unscientific, but most people in the Western world think of vampires as those who come back from the grave to suck the blood or life essence from the living. This common understanding of vampires actually obscures many European and most non-European traditions of bloodsucking monsters....
