Paul Barbera and his team have captured the essence of the creative studios in Japan. This book is a visual journey through the creative process of the Japanese studios. It is a collection of images that show the creative process from the initial concept to the final product. The book is a must-read for anyone who is interested in the creative process of the Japanese studios. It is a beautiful book that will inspire you to create your own studio.

FRAM

Frame Publishers BV, Netherlands, 2017. Paperback Condition: New. Language: English . Brand New Book. Photographer Paul Barbera presents his next volume in the Where They Create series - this time with a different approach, by exploring the theme of his series through geographical locales - not just physically but also spiritually, as place is a very fluid concept in today's global world. Reinvigorated by his first visit to Japan in five years, he makes this metropolis the starting point..
