Reviews

Unquestionably, this is the finest function by any article writer. I have read and that i am confident that i am going to likely to read yet again once again later on. Your daily life period will probably be transform when you comprehensive reading this article book.
(Sheldon Aufderhar)

BUREAUCRACY: VOLUME 6

Liberty Fund Inc, United States, 2005. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book. Bureaucracy provides access to two important and influential books on bureaucracy by Gordon Tullock: *The Politics of Bureaucracy* (1965) and *Economic Hierarchies, Organization and the Structure of Production* (1992). When *The Politics of Bureaucracy* was published in 1965, bureaucracy was viewed by many people as benign--serving the public good with objectivity and omniscience. In *Economic Hierarchies, Organization and the Structure of Production*, Tullock looks at bureaucracy in a different but related way, basing his new book on developments in the theory of the firm that had occurred during the intervening period. By comparing the politics of bureaucracy with the economics of industrial organization, Tullock demonstrates that corporations perform with greater economic efficiency than do government bureaus. Charles K. Rowley is Duncan Black Professor of Economics at George Mason University and a Senior Fellow of the James M. Buchanan Center for Political Economy at George Mason University. He is also General Director of the Locke Institute. The entire series includes: Volume 1 *Virginia Political Economy* Volume 2 *The Calculus of Consent* Volume 3 *The Organization of Inquiry* (November 2004) Volume 4 *The Economics of Politics* (February 2005) Volume 5 *The Rent-Seeking Society* (March 2005) Volume 6 *Bureaucracy* (June 2005) Volume 7 *The Economics and Politics of Wealth Redistribution* (July 2005) Volume 8 *The Social Dilemma: Of Autocracy, Revolution, Coup d Etat, and War* (December 2005) Volume 9 *Law and Economics* (December 2005) Volume 10 *Economics without Frontiers* (January 2006).
