Reviews

This pdf is worth buying. It is actually written in basic words and not confusing. It's been printed in a remarkably basic way in fact it is merely following what I finished reading this publication through which really altered me, affect the way I really believe.

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, You Don't Have to Live Like This (Main), Benjamin Markovits, From one of Granta's Best of Young British Novelists comes a darkly comic and brutally insightful vision of contemporary America in the wake of the global financial crisis. Ten years out of Yale, with an extra degree from Oxford, and all Greg Marnier has to show for it is a rambling academic career that has landed him in Aberystwyth. At his college reunion, jetlagged and drunk, he runs into an old friend who offers him an extraordinary way out. Robert James, wealthy and influential, a success story of the dotcom bubble, wants to become a political player. His plan: to buy up several abandoned neighbourhoods in Detroit - the poster child for urban decline - and build a new America from their boarded-up ruins. For a small investment, Marnier can transform himself into a twenty-first-century pioneer. The realities of life on America's urban frontier soon become apparent. For every hopeful misfit who's come for a fresh start there's a native Detroiter whose patch is being swallowed up by the new colonials. Marnier finds himself caught in the middle of everyone else's battles - between local and outsider, rich and poor, black and white - until a terrible accident forces him to take sides.
