A FOOL S JOURNEY: WALKING JAPAN S INLAND ROUTE IN SEARCH OF A NOTION (PAPERBACK)

TOYO Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I had been here before: I was going from being a mere interpreter to being a cultural interpreter. It was a dangerous path to tread. Walking Japan s ancient inland route in search of a vague romantic notion, the author encounters a string of idiosyncratic characters, locals with a story to tell. Recording their stories, the author braids a travelogue deftly interwoven with his own experiences since he first set foot in Japan some thirty years ago. At times hilarious, at times serious, at times moving, A Fool s Journey is an exploration of one of Japan s most scenic routes and its fascinating past. Above all, it is a gaijin s exploration into his relationship with a country that continues to defy definition.
