

Bicycling Beyond The Divide: Two Journeys Into The West.

Filesize: 7.97 MB

Reviews

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

University of Nebraska Press, Lincoln, 2008. Hardcover. Condition: New. 312 pages. Hardcover with dustjacket. New book. TRAVEL. On a journey begun twenty years earlier, Daryl Farmer, a twenty-year-old two-time college dropout, did what lost men have so often done in this country: he headed west. Twenty years later and seventy pounds heavier, with the yellowing journals from that transformative five-thousand-mile bicycle trek in his pack, Farmer set out to retrace his path. This is his story of pursuing that distant summer and that distant dream of home, where home is endless space, a roof of big sky, and a bed of dry earth. Just as the years altered the man, so, too, have they altered the West, and Farmer's second journey affords a unique perspective on these changes—as well as on what lasts. Whether caught in a Colorado snowstorm or braving a Yellowstone herd of bison, kayaking with orcas in Puget Sound, trading Ninja moves with a homeless man in San Francisco, or getting the lowdown on aliens on Nevada's Extraterrestrial Highway, Farmer charts a moving landscape of people and places. This is the West where the natural world and personal character are inextricably linked, and where one man's ride into the past and present takes us to the heart of that ever-evolving connection. Daryl Farmer has published essays, short stories, poems, and reviews in several journals including *South Dakota Review* and *Prairie Schooner*. "Daryl Farmer lyrically meshes his traveling experiences of 1985 with 2005 in his book. . . . With writing that compares favorably to Paul Theroux, William Least Heat Moon, and John Steinbeck, Farmer assures us that the American spirit hasn't been completely deflated."—Lee Gooden, ForeWord "The book isn't just bicycle talk. Much to Farmer's credit—and the fact that he keeps journals—he gives us some historical background...
