## WORK WITH ME: THE 8 BLIND SPOTS BETWEEN MEN AND WOMEN IN BUSINESS

Palgrave Macmillan Trade, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "In this must-read, Annis and Gray examine how and why men and women think differently at work, and what we can do about it. Pragmatic and timely, *Work with Me* promises to be a game changer!" - Publishers Weekly (starred review) " *Work With Me* is a lucid, evidence-based guide for a comprehensive and immensely useful understanding of the unique, sex-specific features of the human brain. Barbara Annis, an articulate and intelligent advisor to corporations, has taught us how to meld the talents of men and women into an effective whole. She collaborates with John Gray, who was the first to engage the public in understanding the differences between the way we think, plan, and communicate. The book exemplifies the fact that gender-specific science is not an emotion-laden pursuit, but an ever-expanding, evidence-based exposition of the extraordinary-and for the most part completely unexpected-sex specific features of the human brain. This ought to be obligatory reading for every person who wants to fashion and maintain productive relationships." - Marianne J. Legato, M.D., F.A.C.P, Professor of Clinical Medicine, Columbia University, Founder, Foundation for Gender-Specific Medicine, Inc. " *Work with Me* is a landmark work that examines today's workplace opportunities and challenges through both an economic and social interaction lens and demonstrates why gender intelligence - not gender equality - will inspire a culture of inclusiveness and create a sustainable source of economic advantage for, individuals, leaders, and their organizations." - Lara Warner, Chief Financial Officer, Credit Suisse Investment Bank "No doubt about it. Group intelligence is highest when both genders problem solve together. Now Barbara Annis and John Gray show us how to get the job done! If this book doesn't make you think, you..."
