iUniverse, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Everyone has experienced love in one form or another in his or her life, yet we seem to know so little about this all-important emotion that we hunger for and are rarely completely satisfied with. In this romantic collection, through -letters- to the muse, poet Nalkur attempts to bring us closer to the fulfillment of our human urges by chasing the holy grail of true love. These poems are the survivors of a long relationship with the muse, alive and breathing in Nalkur s heart and soul. This collection in particular focuses entirely, directly and indirectly, on the muse as an entity. It is the poet s gift to her--or perhaps, more precisely, her gift to the poet. Maybe, even more so, the poems are a gift to the seeking reader. Time matures a poet, which implies a spiritual growth as well as literary maturity. With poetic satisfaction, Nalkur s words lift us heavenward on the wings of true love. Whether through down-to-earth conversations with the muse as nature or by lifting her up as a powerful goddess, follow this inspiring and dream-like depiction of the Muse of Love!.
