Reviews

This sort of ebook is every thing and made me hunting forward and a lot more. I have read through and i also am confident that i am going to going to go through once again once more in the foreseeable future. I discovered this publication from my dad and i encouraged this book to discover.

Teacher Created Materials, Inc, United States, 2011. Paperback. Condition: New. Language: Spanish . Brand New Book. Learn basic subtraction at the snack shop! This charming, Spanish-translated title uses familiar examples of children buying snacks at a snack shop to make learning subtraction and number operations easy and fun! If there were four lollipops, but a girl bought three, then one lollipop is left! With the help of practical examples, vivid images, mathematical diagrams, and engaging You Try It! problems, children will improve their subtraction skills and their understanding of early STEM themes.
