In Miss Mackenzie Trollope made a deliberate attempt to prove that a novel may be produced without any love, but as he candidly admits in his Autobiography, the attempt breaks down before the conclusion. In taking for his heroine an middle-aged spinster, his contemporaries of writing about young girls in love. Instead he depicts Margaret Mackenzie, overwhelmed with money troubles, as she tries to assess the worth and motives of four very different suitors. Anthony Trollope (24 April 1815 - 6 December 1882) was one of the most successful, prolific and respected English novelists of the Victorian era. Among his best-loved works is a series of novels collectively known as the Chronicles of Barchinore, which revolves around the imaginary county of Barchinore. He also wrote perceptive novels on political, social, and gender issues, and on other topical matters. Trollope s literary reputation dipped somewhat during the last years of his life, but he regained the esteem of critics by the mid-twentieth century. Thomas Anthony Trollope, Anthony s father, was a barrister. Though a clever and well-educated man and a Fellow of...
