

The Islamic Paradox: Shiite Clerics, Sunni Fundamentalists, and the Coming of Arab Democracy (Paperback)

By Reuel Marc Gerecht

AEI Press, United States, 2004. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Since the Iranian revolution, Americans have been aware of Islamic extremism. They should have been worried about Islamic fundamentalism much earlier. Decades before Ayatollah Khomeini announced his holy war against the United States, Muslim militants had been increasing their numbers and honing their critique of the West, especially America, and its nefarious cultural and political influence throughout the Islamic world. Under the radar screen of most academics, diplomats, and spies, bin Ladenism was taking shape. Since 9/11, we have seen more clearly what we did not see before. A consensus has developed in Washington that something is terribly awry in the Muslim Middle East. The Bush administration, echoed by many influential Democrats, believes that the repressive politics of the region need to open to dissenting voices - the nexus between autocracy and Islamic extremism must be broken. Most hope gradual political reform will abate the anti-Americanism that is commonplace throughout the region. Moderate Muslims need to be nourished so they may triumph over the militants and...
