MRI, Incorporated, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Why is God called Our Father how can you become like a little child in His Presence? What are the attributes of a little child and what are the benefits of truly living as one of God s children? Discover why this is the most important relationship in your life! For those desiring to experience the full blessing of the New Covenant, to know God, our Father deeply and personally, YOU Our Father is the book for you. It s not some form of Christian self-help , like so many books out there, but a study examining just what it means to be a Child of God, using analogy to understand what it means to experience a full and meaningful relationship with our Dad. Easy to read and understand, an absolute delight. I recommend this simply written book to anyone who has difficulty with living out their identity as God s literal Daughter/Son, who suffers from performance-based acceptance, or anyone who simply wants a closer and more intimate experience-a TRUE relationship in everyday life. This book has been a tremendous blessing to me and I m sure it will help others develop a more intimate, child-like relationship with our Papa, as they learn to hear His Voice, daily! -Rebecca Mihail, (Australia).
