

Are You Ready How to Prepare for an Earthquake

By Maggie Mooney

Greystone Books. Paperback. Condition: New. 144 pages. Dimensions: 8.4in. x 5.5in. x 0.5in. According to the US Geological Survey, there is a 100 percent chance of an earthquake today. Are you ready for the big one? As earthquakes have struck around the world with alarming frequency, millions have realized they are unprepared for similar catastrophes close to home. Online disaster plans and older books heavy with seismic science and a survivalist focus leave the average reader overwhelmed with details and anxiety. How much water will I need? What if I'm driving? How do I protect my six-year-old? The questions go on and in this book Maggie Mooney answers them. Her four-week readiness program includes straightforward instructions, forms, and checklists. Mooney explains what to expect during a quake, and what to do when the shaking stops. She also addresses both aftershocks and tsunamis. Use this guide and the checklists inside to get ready: Find your safe spots at home, at work, at school, and outdoors. Develop your emergency communication plan. Mentally prepare yourself and your family. Shake-proof your home. Assemble an emergency kit. By following the steps in the four-week readiness program described here you can avoid injury and ensure you have the food, water and...
