Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Spencer Hill Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Hot girls get the fairy tales. No one cares about the stepsisters story. Those girls don t get a sweet little ending; they get a lifetime of longing. Imogen Keegen has never had a happily ever after-in fact, she doesn t think they are possible. Ever since her mother s death seven years ago, Imogen has pulled herself in and out of therapy. When Imogen s new stepsister, Ella Cinder, moves in down the hall, Imogen begins losing grip on the pieces she s been trying to hold together. The only things that gave her solace--the theatre, cheese fries, and her best friend, Grant--aren t enough to save her from her pain this time. While Imogen is enjoying her moment in the spotlight after the high school musical, the journal pages containing her darkest thoughts get put on display. Now, Imogen must resign herself to be crushed under the ever-increasing weight of her pain, or finally accept the starring role in her own life story. And maybe even find herself a happily ever after.
