Arlington Amelia Publishers, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My Child s Keepsake Journal is a journal with 100+ guided prompts to inspire your child s creativity. There is nothing more precious than time with your child. The days of their childhood are fleeting and pass far more quickly than you would like. This book can be used for children, both boys and girls, age 6 - 12. Questions cover fantasy, memories, a peek into their dreams for the future, and family memories. Spend some one-on-one time with your child filling out the book with them. Even when you have little spare time, you can fit in time for one question a day. Whether in the waiting room of a doctor s office, at home while relaxing and putting your feet up, or the last thing you do before your child goes to bed at night, it will become a time you both look forward to and enjoy. When you or your child look back at this book years later you will cherish your child s thoughts and creativity. This book is definitely a keepsake and one you will enjoy pulling out and reading over again years later.
