For many single working women, working moms and stay-at-home moms, the numbers just don't add up. Our choices often come down to working more hours and getting by with less - less time for our families, less relaxation and vacation, less peace of mind and well being, less control of our financial futures. The good news? Regardless of your current financial picture, you have the ability to be financially free. Financial Freedom is a Year Round Destination. Natalia Yosco has a solution for women who want to create financial freedom for themselves and their families.
