Please hurry up! A Simple 14 Day Guide to Managing Your Time, Being Productive and Enjoying a Clutter Free Life:, Minimalist, Productivity, Procrastination How can you truly enjoy a clutter-free life? Do you have to become a complete and total minimalist to do so? Are you constantly spinning your wheels yet never getting anywhere? Are you a procrastinator? These are things we all ask ourselves when things just seem to be getting totally out of control. When that happens, our life becomes much too stressful and mundane. We have to take control of our lives and declutter our physical and emotional lives to maintain happiness and balance. In this book we will look into a few areas of your life which you can control, organize and declutter. The more you put it off, the more procrastination that causes the clutter is allowed to take over and finally you will be overwhelmed beyond belief. In our book we will introduce you to the world of: Time management - one of the largest keys to reducing your clutter, whether it is physical or emotional, if you always feel you just don't have enough time, you need to learn Time Management Productivity- Without learning time management, productivity is lost. These go hand-in-hand with accomplishment and reaching your goals The Minimalist Approach - Most of us like our little collections of things, but perhaps taking a closer look between collections and hoarding , using a more minimalist type approach would be useful Procrastination - equals clutter! Simply stated. Decluttering your life and your home - Organization for you and your lifestyle...
