Every Decision Matters leads the reader through the initial shock of the event, the recovery process, and the drastic downfall he experienced from making bad decisions in handling the tragedy. The story tells of how each decision we make will determine our destiny. If you want to change your life, you need to make better decisions. It doesn't matter what you have been through or what bad decisions you have made. You can make a decision to turn your life around. Every Decision Matters is a testimony of God's desire to help us if we are willing to accept his help. You have never gone too far for God to change your life if you are ready to surrender to him. Our destiny will ultimately be shaped by our decisions, so we must be aware of the weight of each decision. Overcome by the attack, Arnold made bad decisions that snowballed until his life was out of control. After fighting alcoholism, PTSD, and depression, Arnold learned that once he surrendered to God, the healing process could begin. Discover how God can restore broken lives and turn the darkness we have experienced into light. God wants nothing more than for people to turn to him so that he can begin to restore their lives. There is a way out of the mess so you can share the grace and mercy of God.
