

## Just Spirituality: How Faith Practices Fuel Social Action (Paperback)

By Mae Elise Cannon

InterVarsity Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Throughout history, Christians have been called by God to active engagement in society on behalf of the poor and oppressed. Christian leaders have been instrumental in caring for people who are poor, fighting injustice and advocating for social change. But they have never done so on their own power. Their energy and zeal were fueled by inner spiritual practices that propelled them forward into the world. Activist and historian Mae Elise Cannon explores the direct connection between Christians personal relationship with God and outward actions of kindness, mercy, compassion and advocacy. She looks at how notable Christian leaders were able to face societal challenges because of the rich depths of their spiritual practices. For example: Mother Teresa s practice of silence compelled her to service. Dietrich Bonhoeffer s prayer life equipped his discipleship. Martin Luther King Jr. s beloved community empowered his proclamation. Oscar Romero s discipline of submission prepared him to face martyrdom. Biographical profiles of these and other key figures from around the world give us concrete examples of how activism and advocacy can be sustained over the long haul. Cannon also describes modern-day...
