

Women in the Third World: A Reference Handbook (Hardback)

By Karen L. Kinnear

ABC-CLIO Ltd, United Kingdom, 1997. Hardback. Condition: New. Annotated edition. Language: English . Brand New Book ***** Print on Demand *****.Women in the Third World discusses topics such as the status of women; access to and enrollment in schools and universities; access to medical care; legal status; actions that husbands can take against their wives as permitted by law; and the extent to which women are considered property. This volume also provides biographical sketches of noted women leaders, statistical information, data on programs, and summaries of print and nonprint resources. Students, educators, journalists, policy makers, women s center personnel, and anyone interested in the status of women in the third world will find this an excellent research tool.

Reviews

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.
