Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I find connectedness through various forms (poetry, painting, music) by insisting on spontaneity. An image that I paint could very well become a chorus in a song. Paying close attention to my dreams and the soft voices inside my imagination, and allowing these to shape within my being s center (an emanation of my heart), this is the affirmation of the symbolic through faith. An invisible loving which manifests itself through patience and is never controlled- the hidden becoming known. My work will always seek an affirmation or communion while creating a liberation of the ordinary. A visionary poetic journey of over 100 years, Va. West Va. Poems is a celebration of heartsongs that will inspire.
