TRUSTING THE CURRENTS

Sageheart Media, United States, 2013. Paperback. Book Condition: New. 203 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Trusting the Currents represents a new literary genre of conscious storytelling, engaging high spiritual frequencies that resonate with the reader's heart, guiding them deep into their own truth and transformation. Some moments change everything you become. Author Lynnda Pollio's life as a busy New Yorker abruptly changes when she unexpectedly hears the mystical, elderly voice of Addie Mae Aubrey, a Southern, African American woman. Her first words, It's not what happened to me that matters, begin a spirited remembering of Addie Mae's teenage years in the late 1930s rural south and the hard learned wisdom Addie Mae asks Lynnda to share. As women from different times and places, together they embark on an uncommon journey. Throughout the story her mother remains an unwavering source of love, even when fear and evil shake their lives. Unfathomable loss and rising trust in the Invisibles not only transforms Addie Mae's budding life, but leads to the author's own spiritual awakening. This unlikely pair becomes partners...
