The Story Plant, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Terrorism became personal for Mike Walton on his last mission that resulted in triumph and devastating tragedy. Now the stakes have been raised again. Mike and his wife Lisa both covert assets of the International Market Stabilization Institute, a privately funded organization operating outside official channels to protect North America's financial interests are sent to Russia after an attempt on their superior officer's life. It is a mission fraught with peril and one that becomes exponentially more dangerous when their covers are blown within hours of setting foot in Moscow. Now, they are being hunted down by the Sheik, the terrorist mastermind behind the kidnapping of Mike's father, Ray Powell, and to the treachery that turned Mike and Lisa's lives upside down. To make matters worse, there are clues that Biopreparat, the former Soviet Union biological warfare agency, has been resurrected and is about to launch a strike against the United States. This forces Mike and Lisa to make the most difficult choice of all. With Ray Powell's life hanging in the balance, and the slightest mistake potentially igniting the next World War, nothing is what it seems. And the line between friend and foe is blurring. A stunning experience by one of the hottest voices in thriller fiction, *A Red Dotted Line* takes readers on an unforgettable ride. PRAISE FOR SIMON GERVAIS INTERNATIONAL BESTSELLER *THE THIN BLACK LINE*: Realistic, vivid, dramatic, this is a story told by someone who knows what he's talking about. I offer a bow to this exciting debut and to the newest member of the thriller-writing community. Make a note: in the years ahead Simon Gervais is a name you'll be seeing on many more book covers....
