

Group Psychotherapy of the Psychoses: Concepts, Interventions and Contexts (Paperback)

By Victor Schermer, Malcolm Pines

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 1999. Paperback. Condition: New. Language: English . Brand New Book. Arguing that group psychotherapy is a particularly effective method of treatment for psychotic patients, Group Psychotherapy of the Psychoses draws together the world's leading exponents in a comprehensive exploration of theory and practice. The contributors consider the development of the study of psychosis as well as the more recent advances in assessment, diagnosis and group treatment, covering such topics as: conceptual schema and models of the psychoses; variations of group therapy approaches and their effectiveness; interpretations and interventions with clients; coping with countertransference, counteridentification and counterresistance; multimodal treatment and the importance of context; training and supervision; problems peculiar to group treatment in a therapeutic community.
