Christian Faith Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Authoring this little book is a proud grandfather of three who is also a retired psychologist. He wrote and coauthored several professional journal articles and books of a self-help nature early and mid career. His inspiration for the present book was the three little kids mentioned earlier. They were frequently noticed saying, Papa has to. His intention was to write a short, illustrated book for grandfathers (or grandmas) to read to their offspring rekindling memories of going to the zoo, local park, kids school, etc. It should be mentioned that anyone (mom or dad or uncle or babysitter) obviously has the freedom to insert another title in lieu of Papa. It is hoped this publication will be of interest to families of little ones and families with a special needs child.
